

## Call for Papers

The Brazilian Telecommunications Symposium (SBRT) is widely recognised as the most important scientific, academic and technical forum for telecommunications in Brazil. This year's event will take place at the Ulysses Guimarães Convention Center in the Brazilian capital, Brasília.

Authors are invited to submit unpublished papers in one or more of the following research areas:

- Antennas and Microwaves
- Network Performance Evaluation
- Communication Circuits
- Optical Communications
- Communications for Smart Grids
- Wireless Communications
- Cryptography and Security
- Applied Electromagnetism
- Adaptive Filtering
- Green Communications
- Image and Video Processing
- Speech and Audio Processing
- Digital Signal Processing
- Cognitive Radio and Systems
- Digital Radio
- Communication Networks
- Computer Networks
- Optical Networks
- Wireless Networks
- Communication Systems
- Communications Theory
- Digital TV
- Information Theory and Coding

Papers can be submitted in two categories: full papers or undergraduate project reports. The official language of the symposium is Portuguese, but articles may be submitted and presented in English as well. Full papers must be submitted in pdf format and should not exceed 5 pages. Accepted papers shall be presented orally. The best symposium papers shall be pre-selected for a special issue of the Journal of Communications and Information Systems. Undergraduate project reports should be submitted in pdf format and should not exceed 2 pages. If accepted, they shall be presented as posters.

We also welcome proposals for 4-hour tutorials, that shall be held on the 13th September 2012. Authors of approved tutorials will have their registration fees covered by the organizing committee (limited to one registration per tutorial).

Important dates:

Last day for paper submissions:

**09<sup>th</sup> April 2012**

Last day for tutorial proposals:

**09<sup>th</sup> April 2012**

Acceptance notices sent:

**15<sup>th</sup> June 2012**

Registration starts:

**05<sup>th</sup> July 2012**

Final papers due:

**16<sup>th</sup> July 2012**

## Organizing Committee:

### General Chairs

André Noll Barreto

Ricardo L. de Queiroz

### Technical Program

Darli A. de Arruda Mello

Renato Mariz de Moraes

### IT Chair

Ugo Silva Dias

### Tutorials

Paulo R. L. Gondim

### Local Arrangements

Bruno Macchiavello

### Registration

Judson Braga

### Finance

Leonardo Aguayo

### Publications

Marcelo M. de Carvalho

### Publicity

Mylène Queiroz de Farias
